Question 1 (and only)

If you owned a time machine, which time period would you visit?

Explain your answer. In your explanation, write a PEE paragraph to cover each of the following points:

- Which would be the best place and time to meet a significant person?
- Which would be the best place and time to witness a great event?
- Which would be the best place and time to gather a cool artifact?
- **CONCLUSION:** Which would be the best place and time to visit overall and why?

Marking will be based on how well you form your PEE paragraphs, so make sure there is plenty of evidence for your points and explanation of them.
